

# KANAR NEW PLAYER CHECKLIST

HELLO! Welcome to KANAR! We are so happy that you have joined us. Below is a list of things that you, as a new player, must complete before heading into Ilveresh. These are important tasks that will help you be able to play the game to its fullest. Kanar's staff is made up of volunteers. They love this game so much that they choose to spend a significant amount of time helping new (and old) players find as much joy in the game as they do. Please ask us, the staff, any questions that you might have. We promise that there are no dumb questions; we have all probably asked them at some point as well.

## DO NOT STEP ON FIELD UNTIL THE FOLLOWING IS DONE.
